La Finca farm shares are non-refundable. If you are unable to complete the season, or unavailable on a given week, your share(s) can be transferred to a person of your choosing.

We will do everything possible to provide you with a bountiful supply of fresh produce throughout the growing season. The unpredictable nature of farming does not allow us to guarantee minimum quantities of specific vegetables, fruit, or herbs. By becoming a member of La Finca CSA you agree to share the risks and rewards of our growing season.
